Product Description:

EnTelegent is the service provider you can rely on to provide mission-critical connectivity to grow with you as your business needs evolve over time.

With multiple Tier 1 national provider partners, EnTelegent can provide Long Distance solutions to match your needs whether switched or dedicated, domestic or international, in-state or inter-state.

Pricing options include both pay-as-you-use and unlimited packages that can be tailored to your calling patterns and needs.

The underlying partner infrastructure incorporates an extensive network of relationships designed to deliver solutions that are among the best in the industry.

Additional benefits include world-class service levels and a comprehensive, easy to use customer portal to manage complex enterprise environments.

EnTelegent leverages best-in-class technology and service offerings, combined with aggressive pricing and a world-class support infrastructure, to provide industry leading managed communications solutions to the business community.
