Organizational Announcement

CHARLOTTE, NC, Mar 1, 2021 /PRNewswire/ -- EnTelegent Solutions, Inc. today announced that Michael Ruziska has been promoted to Executive Vice President of Operations. With this promotion, Mr. Ruziska increases his oversight of core functions which include Finance, Systems, Internal Audit, Corporate Planning and Operations.

"Mike's experience and ability to drive systematic improvements, across his areas of responsibility, to enhance internal processes along with impacting improvements for client and partner services, systems and support have been a key asset to EnTelegent through the company's recent expansion and product diversification." said Tom Turpin, Chief Executive Officer. "With his strong leadership, financial acumen and ability to drive process enhancements, he will play an even greater role in the company's future."

Michael will continue to oversee the Tax and Risk Management functions, reporting to Mr. Turpin. He is based out of EnTelegent's Charlotte headquarters.
