

EnTelegent Solutions Adds National Channel Managers

EnTelegent Solutions Grows National Channel Sales Team with Addition of Jeremy Turk and Robert Perduyn

Charlotte, NC— March 1, 2022 — EnTelegent Solutions, Inc. (ESI) announced today the addition of Jeremy Turk and Robert Perduyn as National Channel Managers for the West and South-Central territories. Jeremy Turk will be collaborating with Partners and their clients in Arizona, California, New Mexico, Nevada, and Utah, and Robert Perduyn will be covering Texas, Oklahoma, Colorado, Arkansas, Louisiana, and Mississippi.

Jeremy Turk brings over twenty (20) years of Channel Sales experience to EnTelegent Solutions, most recently serving as Senior Client Executive Channel Business Markets for Verizon Enterprise Solutions. He was instrumental in growing revenue by driving and supporting Partner success.

“I am excited to add Jeremy to our growing team. He brings years of Channel experience and deep knowledge of our portfolio, which will allow him and his partners to leverage EnTelegent’s unique service portfolio,” said Mark Sondergaard, Channel Chief and VP of Sales.

Robert Perduyn also joins EnTelegent as a proven Telecommunication Sales Leader, having over twenty-five (25+) years of strategic Enterprise and Channel Sales experience. Robert most recently served as National Channel Manager for Momentum Telecom, where he closed sales above quota and consistently set sales records.

Mark Sondergaard stated, “Robert is a fantastic addition to our rapidly expanding team. His past Channel experience, coupled with his strong relationships, will allow him, EnTelegent, and his channel partners to grow exponentially in his territory.

“We are very pleased that Jeremy and Robert have chosen to continue their highly successful Sales and Channel Development careers with EnTelegent. Their demonstrated focus on partner enablement and end-user satisfaction is perfectly aligned with EnTelegent’s priorities and focus on multi-location enterprise customers,” said Tom Turpin, CEO at EnTelegent Solutions.

“EnTelegent is in growth mode. We are adding Channel Managers across the country and incremental support staff to expand our high-touch Partner and Customer Support while growing partner mindshare about our unique product suite to the agent community. These additions and others soon to be announced will allow EnTelegent to continue our exponential growth in the Channel,” said Mark Sondergaard.
